

Warrington Head of the Mersey Parking Instructions

Please help us by parking responsibly and considering our neighbours.

- **Parking is available at:**
 1. Several businesses on Howley Lane and Holmesfield Road. Warrington club members will be on hand to direct.
 2. Howley Lane (apart from the track to the club), Holmesfield Road and Farrell Street.
 3. The streets over Kingsway bridge.
 4. Victoria Park
- **Do not park Kingsway Bridge** – the traffic, junctions and restricted visibility make it dangerous.
- **Only towing vehicles and race officials should go down the track to the club** – this is the main emergency access so must be kept clear. It is also in a bad state of repair so be very careful.
- **Bring wellies or other sturdy footwear** – ongoing house building means that the track down to the club remains muddy.
