WARRINGTON ROWING CLUB REGATTA 2021 - NOTES

Our main aim at **Warrington Regatta** is to give you an event which is **friendly, welcoming and fun**, with some **excellent racing** while keeping everyone **safe**. Here are some notes to help us do this...

1. Entries will close before the advertised date if the event is oversubscribed. When we're full – we're FULL! So don't delay folks!
2. We divide the regatta into 8 divisions to help clubs and crews to plan their day – we're nice like that!
 - a. Crews (including coxes) and equipment (including blades) cannot be used twice in the same division.
 - b. Divisions will run one after the other. Precise timings will vary depending on entries.
 - c. Please inform the Entries Secretary of any doubling or other constraints so they be factored into the race programme. We'll do everything we can to make it work for you and your crews.
3. † We will continue the tradition of awarding pots to competitors achieving their first regatta win in a senior event because it's so exciting to win for the first time! Please inform us if any of your competitors fall into this category so we are prepared.
4. Where entries allow, we will band crews to create competitive races. We may also move crews between categories or apply masters' handicaps where applicable. Please state if this would be unacceptable for your entry.
5. The draw will take place on the evening of Monday 19th July. Please contact the Entries Secretary (via racing@warringtonrowing.org.uk) if you'd like to attend in person, join via Zoom (we're all used to this now!) or are interested in the process followed.
6. Event documents, including the Safety Plan, Risk Assessment and Circulation Plan, will be published on the Warrington Rowing Club website (<http://warringtonrowing.org.uk/events/warrington-regatta/>).
7. The river may cover the landing stage so competitors might need wellies or another form of water tolerant footwear.
8. Competitors must come prepared for the full variety of weather that we might experience (warm/cold, sunny/wet) – four seasons in one is a thing in Warrington!
9. Competitors are reminded that the British Rowing membership insurance is only valid for UK residents who are resident in this country for more than six months in a year.
10. As a local rule, backstays on the most forward port and starboard rigger are required (as per RowSafe guidance 7.1), except on single sculls.
11. The event is held under the British Rowing Rules of Racing. We specifically remind competitors of Rule 2-7-4 'Unsportsmanlike Behaviour', with particular regard to foul and abusive language. The likely outcome of such behaviour - regardless of whether it is directed at a person or overheard - is disqualification. Let's all be kind and respectful.
12. We will communicate any Covid-safe procedures that are required by British Rowing or government guidelines at the time of the event.
13. We can't wait to welcome you! It's been too long since our rowing community has been able to get together in person for some fabulous racing. Thanks for supporting 😊
