

Warrington Rowing Club Events

Parking Instructions

Please help us by parking responsibly and considering our neighbours.

- **Parking is available at:**
 1. Several businesses on Howley Lane and Holmesfield Road. Warrington club members will be on hand to direct. These include, NRS, Creamline, Warrington Fire, Aquila. Please respect these locations by not obstructing any obvious access points or other parked vehicles.
 2. Howley Lane (apart from the track to the club), Holmesfield Road and the **north** side of Farrell Street, opposite the various commercial buildings, housing estate and the Ambulance Station
 3. Victoria Park, from which there is foot access through the park and over Kingsway Bridge.
- **Do not park Kingsway Bridge** – the traffic, junctions and restricted visibility make it dangerous.
- **Only towing vehicles, race officials and disabled drivers should go down the lane to the club** – this narrow lane is the main emergency access so must be kept clear.
