## WARRINGTON ROWING CLUB - FUNDRAISING GUIDELINES

At Warrington Rowing Club (WRC), we believe in working together to achieve our goals and meet the aspirations of all our rowers. Our fundraising policy is designed to ensure transparency, fairness, and effective utilisation of all funds raised or donated.

### SOURCES AND USAGE OF FUNDS

**Membership Fees:** Every month, our club receives membership fees which cover our day-to-day operations and provide a safety net for unexpected expenses.

**Other Sources:** To support boat purchases and maintenance, equipment upgrades, and facility enhancements, we rely on various initiatives such as Learn to Row courses, our Head and Regatta events, and All Aboard Youth Rowing.

**Encouraging Contributions:** We encourage our members to initiate and support other fundraising activities. Over the years, many squads have organized diverse events that have collectively raised substantial amounts.

### GUIDELINES FOR FUNDRAISING INITIATIVES

- **Approval Process:** Those planning to organize a fundraising initiative under the WRC banner should first inform and seek approval from the committee. This ensures alignment with club values and ensures any necessary support is available.
- **Allocation of Funds:** All funds raised under the WRC banner will be allocated to general club funds. The subsequent use of such funds is determined by the committee with equitable consideration for all squads and members. Proposals for alternative usage can be submitted to the committee by any member and will be considered.
- **Transparency:** Funds from initiatives must be documented and deposited into the WRC bank account within 14 days. Purchases made must be approved, documented, and receipts provided.
- **Donations:** Donations of any kind are also directed to general funds unless donors specify otherwise in writing before making their contributions. Any specific requests will be reviewed and, if appropriate, approved by the committee to ensure alignment with club objectives.
