

# GOT A QUESTION, CONCERN OR IDEA?

## Here's who to talk to

### YOUR COACH OR VICE CAPTAIN

*Most things can be sorted quickly with a chat with your coach or vice captain.*

They are there to look after your needs as a member and will be able to help in most cases. Remember, Vice Captains are also committee members so can raise things on your behalf to the committee.

If your question or concern remains unsolved, you can chat to the Club Captain about anything rowing or equipment related. If it's something that's specific to coaching, the Head Coach will be able to help.

**Club Captain:** Matt Harle - 07830 182525  
**Lead Coach:** Liz Newton - 07932 990305

### CLUB CAPTAIN OR LEAD COACH

If the captain or head coach can't resolve it, or if it's **something to do with how the club is run**, or anything to do with the facilities, the chair may be able to help.

**Club Chair:** Matt Carman - 07788 140659

If an issue still isn't resolved, or if it's a **serious safeguarding issue**, you can contact the welfare team:

### WELFARE OFFICERS

**Club Welfare Officer:** Rachael Fidler  
**Welfare Support Coordinator:** Gill Laidlaw

### CLUB COMMITTEE

**At any stage, you can chat to any Committee Member.**

They can raise things on your behalf or point you in the right direction and make sure your concern gets to the right place.
